General Election ♦ [www.nycctfb.info/voterguide](http://www.nycctfb.info/voterguide)

My name is Joseph Concannon, I am a US Veteran, retired NYPD Captain and former Civic President. My wife of 30 years Theresa is a school teacher and the love of my life. Together we are the parents of three adult children and now the proud grandparents of two wonderful grandchildren.

I have spent a lifetime earning the trust of my colleagues, clients and the citizens I served in the NYPD. Now I would like to earn your trust and confidence as well. I am asking for your vote to represent the people of our beautiful community.

I have been active in my community for many years I was our local civic president, in public service with NYPD serving as deputy director for public safety under a Mayor Rudy Giuliani. I was honored to receive the FBI's National Leadership Award from their National InfraGard Program.

Sadly, we are returning to days of crime, disorder and fear in New York. Crime is up all over the city and police officers are fearful of taking action, even in our local area, criminals seem to have the upper hand and Mayor de Blasio isn't helping.

Education is critical for our children's development. They need technology in the classrooms, limits to class size and overcrowding, teachers need to be able to teach according to the needs of students and not some bureaucratic test.

The City's economy is tied to public safety and a stable environment so that business leaders will build their businesses here. We need strong leadership that will promote job growth, not restrict it. We need leadership which will reduce the burden of over regulation except as it concern workplace safety and outright fraud.

Mayor de Blasio and the New York City Council are taking us in the wrong direction.

We need a course correction! We need our voices heard inside city hall and I promise that I will reflect the voice of the people of Eastern Queens, not some Party Boss or a Manhattan suit. I am the only candidate that will ensure that our seniors have the programs needed in our beautiful community. I will stand up for our children, veterans, and new immigrants and those that need help most. And as always you should know that my name is Joe Concannon and I support our local police!
