Council District 9 Special Election ♦ [www.nycctfb.info/voterguide](http://www.nycctfb.info/voterguide)

Hello — My name is Athena Moore, and I am running for City Council District 9.

My life's focus is public service. I helped deliver 27 million dollars to the community as director of the Northern Manhattan Office of Borough President Gale Brewer.

My grandmother was a sharecropper from the south and raised me in public housing. My mother was mentally ill, and my father passed away from substance abuse after returning from the Korean War. Today, I stand on my grandmother's shoulders. She inspired me to always work hard.

My passion and professional background are in public policy, health and human services, and strategic planning.

I am here today because I want to represent you and deliver for our community. I ask for your vote and support to move our district forward into a new direction.
