

35th City Council District

Frank Richard Hurley (D)

Hello my name is Richard Hurley and I want to be the next City Council Member to represent the 35th District.

I was born and raised in Brooklyn, The greatest city in the world. I am married and have been with my wife for 28 years. We are now grandparents.

I am a graduate of Brooklyn Law School and am admitted to New York State bar, the Southern and Eastern Districts, Washington D.C. and the United States Supreme Court.

I began my career at the Queens District Attorney's Office where I was assigned to prosecute Government Corruption. Subsequently, I worked for the Board of Education and conducted disciplinary hearings.

Eventually, I worked in the private sector representing Unions. I was assigned to local 100 Transit Union.

I have been a solo practitioner for over 19 years. I sat on the Board of Directors for the Brooklyn Teen Pregnancy Network, The B.I.G. Organization who mentored fatherless boys, Crown Heights youth Collective and Bedford Stuyvesant Boxing Center.

I've entered this race to make a difference. I want to empower our community toward economic growth.

Brooklyn is the fastest growing town in the world and everyone wants to live here.

Brooklyn is a name brand.

What about those of us who lived here all of our lives?

The developers are planning to build 16 towers in downtown Brooklyn and we MUST make sure that those jobs go to our residents and affordable housing IS included.
